2010 Commercial Education Certificate (CEC)

The Commercial Education Certificate (CEC) Program is brought to you by the Denver Metropolitan Commercial Association of REALTORS® (DMCAR) to fill an existing gap in real estate education. The CEC is run as a series of one- and two-day courses which will culminate in an enhanced knowledge of commercial property transactions and better opportunities to make and get paid for commercial transactions. Certification from the DMCAR will be given, acknowledging your work and commitment in completing the curriculum.

To attain the Commercial Education Certificate, you must complete thirteen (13) out of sixteen (16) courses offered below. In addition it is mandatory to take the CCIM CI Intro Course. Each course is designed to offer valuable information in a given area, written and instructed by well-known experts. No specific order is required in taking the courses. Persons not seeking certification are welcomed to take and profit from the courses of their choice. All courses will be offered at the DMCAR Offices, 4300 E. Warren Avenue, Denver, CO 80222.

The DMCAR Commercial Education Certificate (CEC) program is not affiliated with nor endorsed by the National Association of REALTORS®.
